D Enrollment Grace Period/Termination

Each new enrollee in the TRICARE Retiree Dental Program must fulfill an initial enrollment period of 12 consecutive months. This initial enrollment period starts upon the coverage effective date. There is a grace period of 30 days from the coverage effective date in which the enrollee may rescind the application without any further enrollment obligation, provided no covered services have been used during that time period. To exercise the option to rescind, the enrollee must contact Delta Dental in writing within the 30-day grace period. If the option to rescind the application within the 30-day grace period is not exercised, the enrollee must remain enrolled in the program for the duration of the initial 12-month period with only limited opportunity for voluntary termination during this time. An enrollment may be terminated involuntarily prior to the end of the 12-month time period due to loss of eligibility. After the 12-month enrollment period, enrollment renewal will continue automatically on a month-to-month basis.
