

# TRICARE® Retiree Dental Program

Fact Sheet

Here's why the TRDP has a 98% customer satisfaction rating!<sup>1</sup>

"The TRDP is an easy program for my dentist to work with... it saves me money and keeps my teeth and smile in great shape!"

Y.J., Sterling Heights, MI

*Beginning on January 1, 2019, the TRDP will be replaced by the Federal Employees Dental and Vision Program (FEDVIP) which offers comparable benefits to the TRDP and a choice of dental carriers. Enrollment in the FEDVIP will begin in November 2018 and you must select a new FEDVIP plan to continue your dental care benefits. You'll have the ability to select from a number of nationwide and regional dental carriers, including Delta Dental who currently administers the TRDP. Visit [trdp.org](http://trdp.org) for updates throughout 2018 on this transition. Waiting periods under the TRDP will not extend into any new FEDVIP coverage that you may choose in 2019. Although the TRDP program requires waiting periods before certain types of services can be obtained (such as major restorative and orthodontic), these will not extend into the FEDVIP coverage period beginning on January 1, 2019. Under the FEDVIP program, there are no waiting periods (except for orthodontics in most plans), and you will receive your full FEDVIP benefits beginning on January 1st with whichever FEDVIP plan you select during the November/December 2018 open season.*

A benefit guide to the TRICARE Retiree Dental Program (TRDP) for Uniformed Services pre-retirees, retirees, retired members of the National Guard/Reserve components, and their eligible family members.

## About the TRDP

- A program offered by the Federal Government Programs division of Delta Dental under contract with the U.S. Department of Defense.
- The TRDP covers more than 1.5 million enrollees in the 50 United States, the District of Columbia, U.S. territories, Canada and overseas.

## Eligibility requirements

- Retired members of the Uniformed Services and National Guard/Reserve components, including "gray-area" retirees under age 60.
- Current spouses of enrolled members, and children up to age 21, or to age 23 if a full-time student (student status verified in DEERS) or older if child becomes disabled before losing eligibility.
- Unremarried surviving spouses or eligible children of deceased members who perished while in retired status or while on active duty.
- View all eligibility requirements at [trdp.org](http://trdp.org).

## Save money — see a TRDP network dentist

- When you see a TRDP network dentist, you get two annual cleanings (or three with diagnosed Type 1/Type 2 diabetes), two annual exams and one annual x-ray with no cost share.
- Network dentists submit all your claims paperwork and bill Delta Dental directly for the care you receive.
- Network dentists will not charge you more than your applicable cost share and deductible — saving you an average of 22%.
- Visit [trdp.org](http://trdp.org) to find a TRDP network dentist near you.

## Affordable premiums

- A prepayment of two months' premiums is required with enrollment.
- Premiums are automatically deducted each month from your retirement pay.
- If retirement pay is unavailable/insufficient, electronic funds transfer or recurring credit card payment of your monthly premiums is required.
- Premium rates are subject to change on January 1 of each contract year.
- Monthly premiums vary by ZIP code. Visit [trdp.org](http://trdp.org) for your specific rates.

## Quick and easy enrollment

- Visit [trdp.org](http://trdp.org) and use the Beneficiary Web Enrollment (BWE) site to enroll online — or complete a paper application and mail it in.
- Enroll any time after you retire and start getting benefits the first day of the month after you enroll.
- The waiting period will be in effect through December 31, 2018, at which time, full benefits will be realized with the enrollee's selection of a new Federal Employees Dental and Vision Insurance Program (FEDVIP) plan effective January 1, 2019.
- Skip the 12-month waiting period for major services by enrolling within four months after retirement or transfer to Retired Reserve status.
- Enrollment is month-to-month after you've satisfied an initial 12-month commitment.
- A 30-day grace period lets you cancel if you haven't yet used your benefits.

[trdp.org](http://trdp.org)

## Comprehensive coverage

- In-network routine services are covered at 100% — and deductibles and maximums don't apply.
- You can coordinate your TRDP benefits with other dental plans to lower, or even eliminate, your out-of-pocket costs on major services.
- Three annual cleanings are available for enrollees with diagnosed Type 1/Type 2 diabetes.
- Emergency treatment is covered worldwide.
- Generous maximums include a \$1,300 annual maximum, \$1,200 dental accident maximum and \$1,750 lifetime maximum for braces.

	Percent of Allowed Amount Paid by TRDP	
	First 12 months of enrollment	After 12 months of continuous enrollment
